PLC Protocol 2018-19

Post the following to the Google Classroom for your colleagues:

- a. **Common Summative Assessment**
 - b. **PLC Overview Document**
 - c. **Specific Data (if necessary)**
1. PLC Leader(s) state the **Problem or Promising Practice** and make connection to Elements of Effective Classroom Learning Systems. **Project specific data** which led to the identification of the PoP.
 2. Participants review **PLC Overview Document**.
 3. PLC Leader(s) **share takeaways** and identified next steps from data analysis.
 4. Participants **ask questions** intended for clarification or elaboration and teacher(s) respond.
 5. Participants discuss possible **solutions/suggestions** amongst themselves to address the **Problem of Practice**.

OR

Participants discuss how they may **adapt the promising practice** to their classroom.

PLC Leader(s) listen, take notes, and respond as necessary.

6. PLC Leader(s) reflect on possible solutions/suggestions and what they are thinking, sharing anything that particularly resonated with them during the discussion.

PLC Leader(s) share tier 1 supports and next steps.
